Thank you, and enjoy!

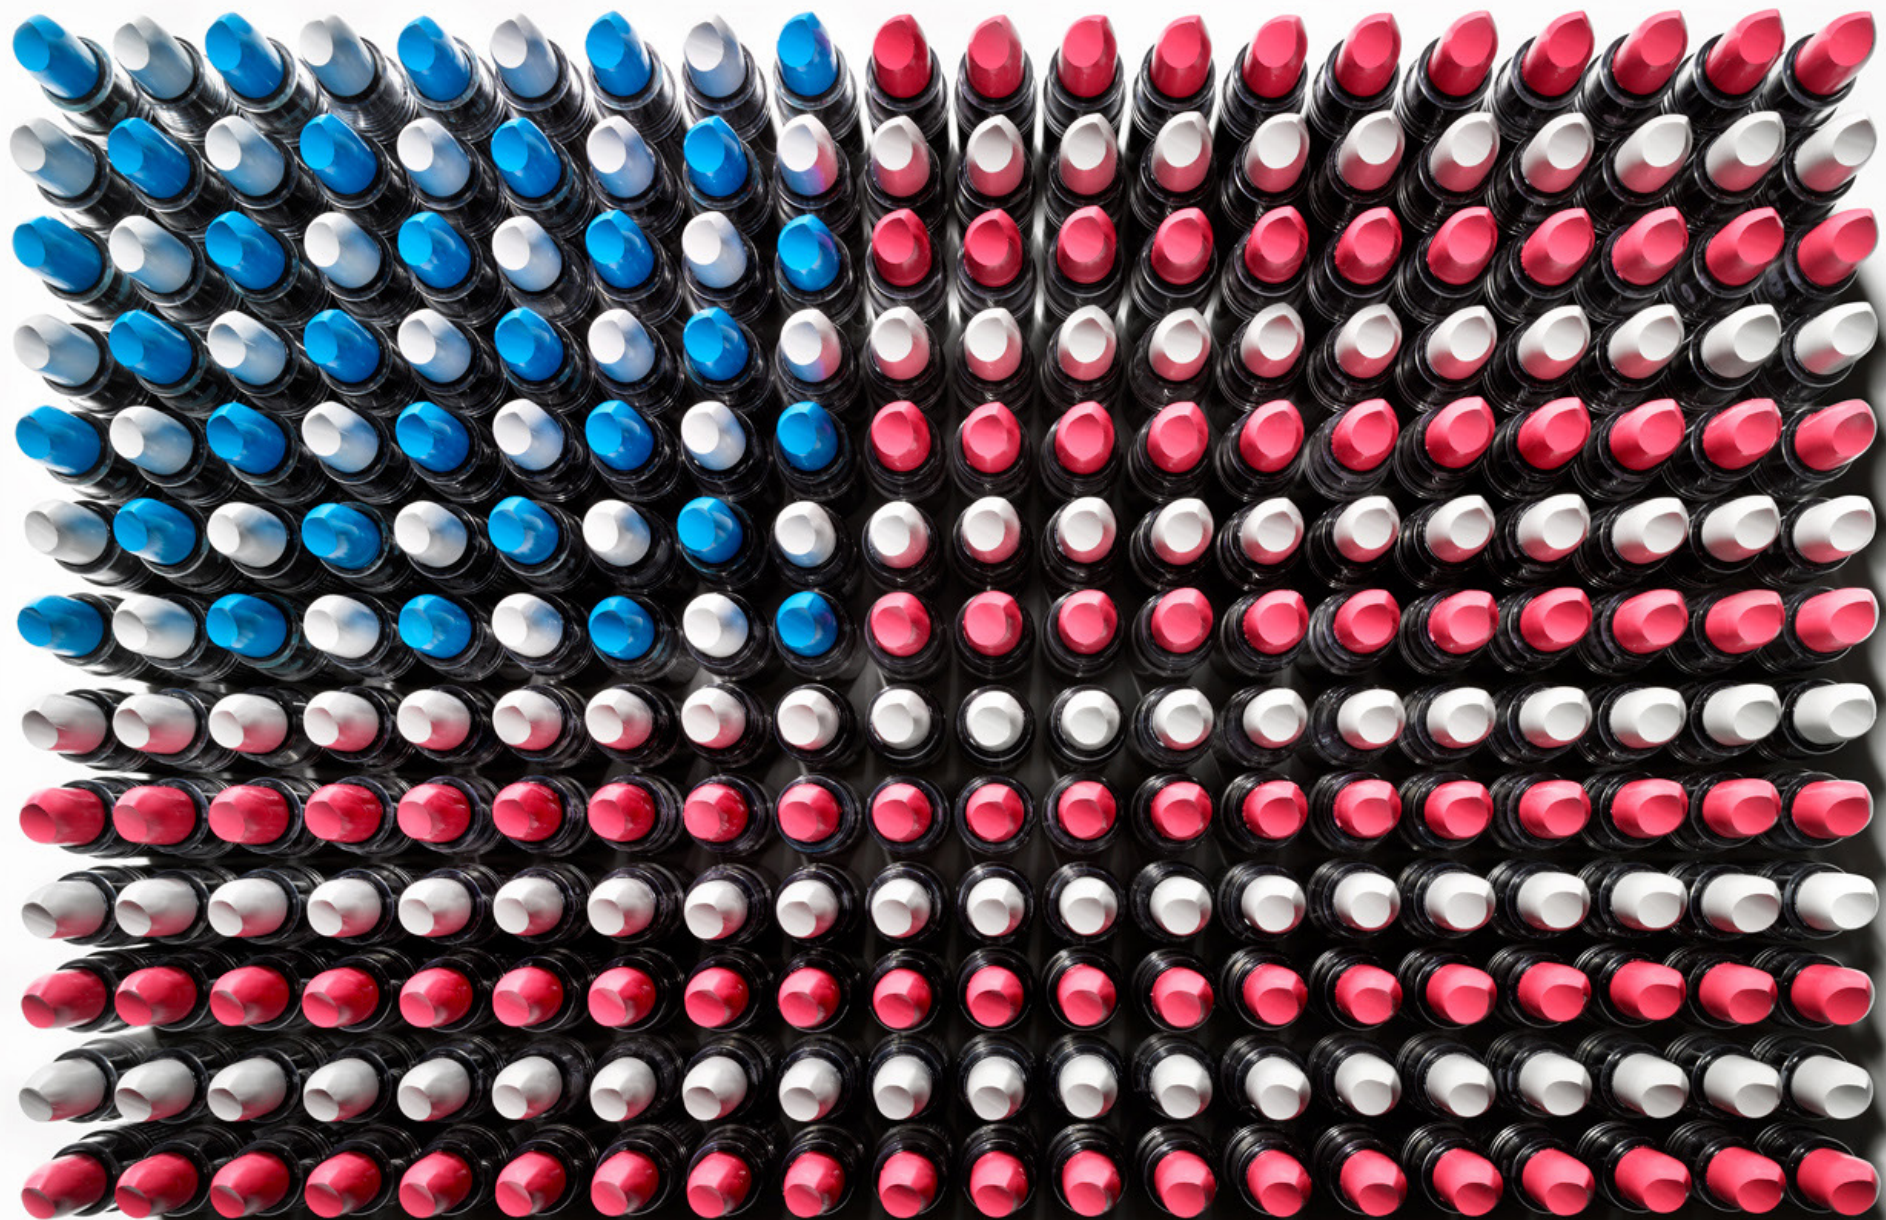

HELLO.

2011

The image shows the number '2011' constructed from a variety of small, multi-colored seeds and grains. The '2' is on the left, followed by a '0', and then two '1's on the right. The seeds are in shades of brown, red, and yellow, creating a textured, mosaic-like appearance for the digits. The entire number is set against a plain white background.
